

ENHANCED REWARDS PROGRAM

Don't miss out on the highest possible Cash-Back Rewards from Focus on Energy. Complete an Income Eligibility Application before you spend another dollar on old, inefficient HVAC equipment (income guidelines can be found on the back of this sheet).

FAST APPROVAL

- Simple self-screening process to determine eligibility before you apply
- Fast one-day income pre-approval
- Secure and confidential approval process
- Direct referrals to additional assistance programs or to Residential Rewards for customers outside the income guidelines

To view all available Residential Rewards, or to find more ways to save call 800.762.7077 or visit focusonenergy.com.

12	\$93,394	\$23,349

CHECK US OUT BEFORE YOU BUY

Find out if you are eligible for an Enhanced Reward through Focus on Energy before you invest in replacement HVAC equipment. In order to qualify for the Enhanced Reward, your household must have a gross income of less than 80% of the State Median Income as determined by the *Income Eligibility Self-Screening Tool*.

For additional details, call 800.762.7077 or visit focusonenergy.com/enhancedrewards. You will be able to access other program resources from the program web page.

Focus on Energy, Wisconsin utilities' statewide program for energy efficiency and renewable energy, helps eligible residents and businesses save energy and money while protecting the environment. Focus on Energy information, resources and financial incentives help to implement energy efficiency and renewable energy projects that otherwise would not be completed.
